

Information on Calculators 2020-2021

The University of Cambridge require students taking examinations to use a designated model of calculator into examination rooms, which will need to have the approved marking applied by the Faculty of Economics.

For examinations in 2020-2021, the approved models will be:

Students are strongly advised to purchase calculators at the beginning of Michaelmas Term.

IMPORTANT NOTE

The Faculty of Economics reception is not able to approve any calculators due to COVID-19. Once the examination timetable has been confirmed you will be updated on how to have your calculators approved.
